Plymouth PL6 7BP GB

Certificate of Conformance

Page: 1 of 2

Product Name : TUBE CTAD GH 13X75 4.5 PLBL L/BL
Catalog Number : 367947
Batch Number : 2331254
Expiration Date : 2013/11/30

CERTIFICATE OF STERILITY

AND

QUALITY CONTROL SHIPPING RELEASE

Sterility

This is to certify that the above referenced product has been manufactured and tested according to the specifications of Becton Dickinson and Company and is sterile and suitable for use in blood collection.

Pyrogenicity

All products which are labelled as non-pyrogenic and released for sale by Becton Dickinson and Company meet Becton Dickinson pyrogen testing requirements. For those products labelled "Fluid path components are non-pyrogenic " only fluid path components are non-pyrogenic.

Toxicity

All materials which are labelled non-toxic and released for sale by Becton Dickinson and Company, have passed appropriate in vivo and in vitro toxicity and/or cytotoxicity tests. For those products labelled "Fluid path components are non - toxic", only fluid path components are non - toxic.

Quality

Becton Dickinson products are designed to meet the relevant technical specifications, and are designed, manufactured and distributed using systems which meet the appropriate recognised World-wide quality standards ISO 13485 and FDA QSR's CGMP's.
