terrarium - _____

pesticides - _____

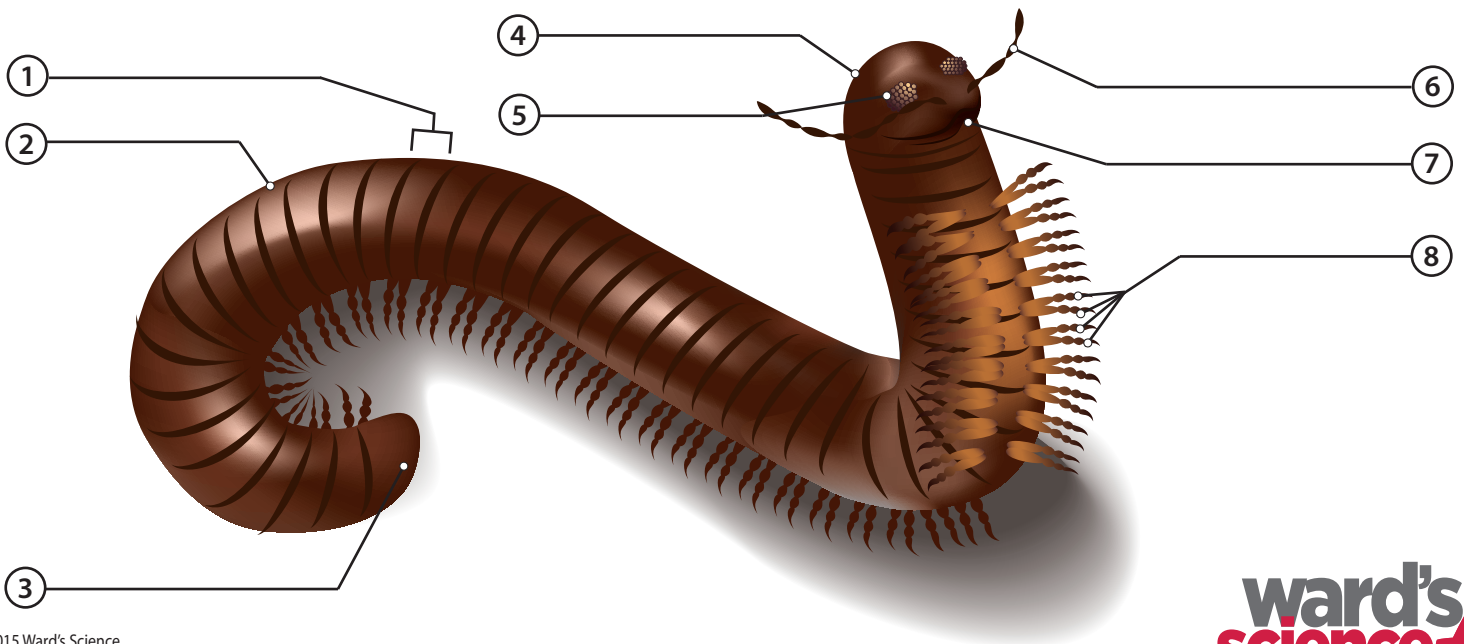

decomposer - _____

nymph - _____

Labeling

Can you label the body parts on the millipede? Fill in the blanks below with the words in the word bank.

antenna	end segment	exoskeleton	head
legs	mouth	oceli (eye)	segment

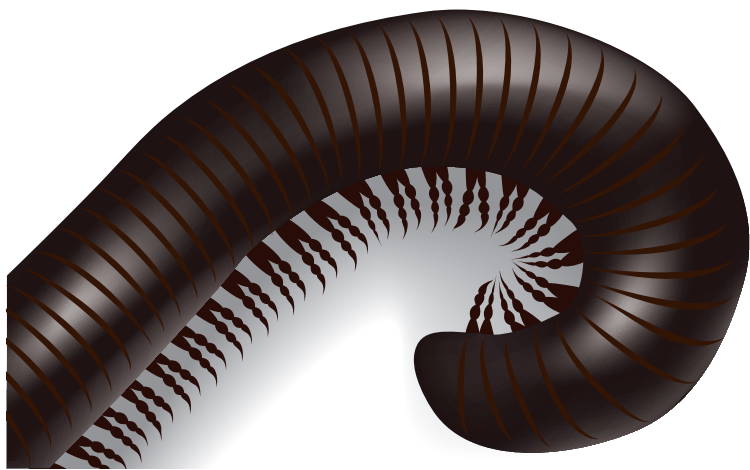

Millipede Activities

Observe and Research

Observe

How many legs does a millipede have? Use math to count segments and legs. Find out how many legs *your* millipede has. They add segments as they grow, and each new segment adds legs.

My Millipede

segments = _____

legs = _____

Research

How are millipedes and centipedes different? Research both animals by reading and looking at pictures. Write facts you discover about each below.

Millipedes

vs.

Centipedes
