

Certificate of Analysis

Becton Dickinson and Company
 BD Diagnostic Systems
 PO Box 999
 Sparks MD 21152-0999 US

Product Name : Bottle Starch Agar 500G
Catalog Number : 272100 **Manufacture Date** : 2016/01/20
Batch Number : 6036525
Expiration Date : 2020/12/31

- 01 Dehydrated Medium Appearance: Light beige, free-flowing, homogeneous
- 02 Solubility: 2.5% solution, soluble in distilled or deionized water on boiling
- 03 Solution Appearance: Light amber, slightly opalescent
- 04 Cultural Response: Medium was prepared per label instructions. Plates were inoculated with a single streak of undiluted test organisms and incubated at 35 ± 2°C for 40-48 hours. Starch hydrolysis was tested by flooding plates with Gram Iodine.

TEST ORGANISMS	ATCC®	RECOVERY	STARCH HYDROLYSIS
Bacillus subtilis	6633	good	positive

This product met BDDS stringent quality standards at time of batch/lot release. Any test results reported on this certificate were obtained at time of release. This material is not for human or animal consumption.

BD Diagnostics - Diagnostic Systems' Certificates of Analysis (COA) typically contain animal origin information when products are manufactured using materials of animal origin. This information may be contained in the animal source table and/or in one or more of the additional paragraphs found on the COA. Following Quality Control release, the COA is created and published at <http://www.bd.com/regdocs>. For each batch of finished product that contains animal origin raw materials, the COA shows the animal origin data from the individual lots of animal origin raw materials used, as provided by the raw material suppliers.

At times, suppliers notify BD Diagnostics - Diagnostic Systems of new and/or additional information they have received from their raw material suppliers that modifies the animal origin information for lots previously provided to BD. See "COA Animal Origin Information Position Statement" located at <http://www.bd.com/regdocs> under "Position Statements" for the impact that retrospective information has on COAs and on customers enrolled in the BDDS and BDAB Automated Change Notification Program.

For complete details on animal origin information, refer to "BD Position Statement - BD Diagnostic-Diagnostic Systems, COA Animal Origin Information Position Statement", at <http://www.bd.com/regdocs> under "Position Statements".

Manufacturer is Becton Dickinson and Company, 7 Loveton Circle, Sparks, MD 21152 USA. To determine location of manufacturing for this product, please see www.bd.com/ds/technicalCenter/regulatory.asp.
