## Integra® Miltex® General Surgical Instruments Buy 4, Get 1 (Mix & Match) Promo Code 2999

### Scissors

Integra Miltex offers a vast selection of scissors to meet your clinical needs. Whether dissecting, undermining, or cutting tough tissues or suture materials, Integra Miltex has the scissors to handle the job. Scissors are available in stainless steel, tungsten carbide, SuperCut, and tungsten carbide/SuperCut to further meet your surgical needs.

### Forceps - Dressing, Tissue and Ring-Handled

Integra Miltex has a wide selection of forceps with stainless steel or tungsten carbide jaws. Smooth or serrated dressing forceps, precision-milled teeth on tissue forceps, and ratcheted ring-handle patterns provide a variety of choices for obtaining reliable grasping performance when and where you need it.

### Hemostats

Our hemostats are available in a variety of patterns, including delicate, straight, curved, and serrated options with or without teeth. Hemostats are designed to provide a secure grip and lock into position to help achieve the desired level of hemostasis during procedures.

### Needle Holders

Integra Miltex needle holders, available in stainless steel and tungsten carbide, are crafted to provide a non-slip surface for a secure hold of even the finest gauge needles. Our tungsten carbide needle holders are available with a smooth or serrated surface with 2,600 to 16,000 teeth per square inch.
