

VWR recycling solutions

Comprehensive recycling solutions and sustainable business practices to support your sustainability goals.

Recycling solutions

Waste generation is a global challenge. To address this issue, we offer a variety of innovative recycling and tack-back solutions.

Alongside our customers, we work to minimize waste creation by diverting materials into usable streams, rather than sending them to a landfill.

Through collaboration and creativity, waste can be given new life.

VWR® GARMENT RECYCLING SOLUTION

This easy-to-use recycling program provides a complete waste collection, shipment, and recycling solution for used disposable apparel. The plastic waste is recycled into resin that is used to make permanent infrastructure including composite decking, railroad ties, and drainage pipes.

Description	Capacity	Cat. No.
VWR Garment Recycling Collection Box	600 lbs. of Garments	10127-400
VWR Garment Recycling Gaylord	Fill Your Own Gaylord Box	470223-884

PIPET TIP BOX RECYCLING PROGRAM, TERRACYCLE®

This easy-to-use recycling program provides a complete waste collection, shipment, and recycling solution for used pipet tip boxes. All brands of plastic pipet tip boxes are accepted. The plastic waste is ground, melted, and pelletized through extrusion by TerraCycle to create recycled resin.

Description	Capacity	Cat. No.
Pipet Tip Box Collection Boxes	113 Empty Pipet Tip Boxes	89234-732

DISPOSABLE GLOVES RECYCLING BOX, ZERO WASTE BOX, TERRACYCLE®

This easy-to-use recycling program provides a complete waste collection, shipment, and recycling solution for all brands of used disposable gloves, including vinyl, nitrile, and latex gloves. The plastics are separated by number, melted, extruded, and turned into small pellets used to make unique products.

Description	Capacity	Cat. No.
Disposable Glove Box	Medium Box (11 x 11 x 40")	75993-594
	Large Box (15 x 15 x 37")	75993-592

SAFETY EQUIPMENT AND PROTECTIVE GEAR, ZERO WASTE BOX, TERRACYCLE®

This program offers a convenient opportunity to recycle various types of waste found in most labs. All brands of personal protective equipment products are accepted, including ear plugs, beard nets, hair nets, disposable garments, disposable gloves (latex, vinyl, and nitrile), booties, and safety glasses.

Description	Capacity	Cat. No.
